For the second year in a row we had a junior showing at the Lancaster show. Olivia Dietrich took Junior Champ with a very nice Blue Check yh that was the best bird in the biggest class of the show. Nice work Olivia! The rest of the winning went to Randy Doyle who managed a clean sweep of the top 5 places. Three of the top five birds were dilutes with the top two being yellow checks. Randy has certainly come a long way with the yellow checks and old 1921 is really racking up the points. I don't believe we keep track of champion bird points, but if we did, that old boy would certainly be getting close.

After a rocky year in 2016, Sturbridge was in much better shape this December. The total number of birds and the number of exhibitors were up. I'm glad to see everyone coming out and supporting this show. Ron Schwartz did the judging and Neil Schaffer came out on top with a blue bar young hen as well as taking second reserve with a honey of a yellow check hen. That bird finally put Randy's old yellow cock 1921 in his place; she is a super bird that I thought was a cock the first time I saw her. Randy rounded out the top five with a lovely silver check hen in the reserve slot and then blues in third and fourth reserve; a barred old hen in third and a checker young cock in fourth.
